

New York City Fiber Frenzy November 10-14, 2020

Whether your sewing time is spent on garments, quilts, home décor, or accessories, the one thing we all need is fabric! Join us in New York City, the center of all things sewing, for an experience like no other. Janet Pray of Islander Sewing Systems and Kristi Mirocha of Journeys & Gatherings will be your escorts as you:

- visit shops carrying fabric, trims, buttons, zippers, and so much more (not only the ones you have heard of but a few hidden gems tucked away that you aren't likely to find on your own)
- hear from industry insiders
- enjoy a private coach tour of the city with photo opportunities
- take in a Broadway show
- visit with two fiber superstars - one in the quilting world, one in the garment realm
- delight in the superb food choices
- make new friends with common interests
- experience all the Big Apple has to offer

We will pack a lot into this trip but also give you plenty of free time so you can make this trip your own. Included:

- ✓ Four nights, double occupancy at Hyatt Place New York Midtown South, in the heart of the Garment District
- ✓ Hot Breakfast every day
- ✓ Welcome cocktail reception
- ✓ Half Day City Tour, private for our group
- ✓ Services of sewist extraordinaire, Janet Pray and Fiber Travel Coordinator, Kristi Mirocha
- ✓ Metro Card (subway/bus pass)
- ✓ Orchestra Seat for a Broadway show
- ✓ Lectures and Studio Visits with two Special Guests

There will be many more treats and surprises as we secure contracts with local fiber folk over the coming months.
